## *New Trinity Website is Now Live*

After months of careful study and research into the ‘best practices’ of website design and navigation, we are proud to announce that our new Trinity website is now a reality. The website maintains our current URL: [www.trinityapalachicola.org](http://www.trinityapalachicola.org) and features a dramatic home page with streamlined navigation to a variety of pages that allows us to tell the Trinity story to any and all who are interested, as well as to provide single-source communication on all of our programs and activities.

Kay Carson, a retired marketing and management professional, and Trinity parishioner, developed the content, then designed and built the website on a platform that allows for easy updates and additions.

The website is the cornerstone of Trinity’s three-pronged communications strategy that also includes the bi-monthly *Bay View* electronic newsletter and the Trinity Facebook

page (@trinityapalachicola). The ultimate goal of this strategy is to make it possible for us to welcome new members and to make it easier for us to know about and care for our members and friends.

## AROUND THE CHURCH

### Thanks to You – AED is a Reality

Through the generosity of the Trinity community, we now have the necessary funds to purchase this life-saving device. What we need now, is a corps of caring volunteers to be trained to operate the AED. This might give you the opportunity to save the life of a friend or family member. Please consider this important ministry. Please contact Shannon or Martha to let them know of your interest.

### Wedding Shower

Penny's Worth and Outback Bible Study will be hosting a **wedding shower** in honor of **Connor Clark & Taylor Duhon** on Sunday September 24th during coffee hour.
